

# Resource Settings

The **Resource Settings** panel on the School Roll dashboard manages school-wide settings, including the school's privacy level (relating to how student names appear online) and also the default curriculum the school uses.

## Editing Class Courses

- 01 Click to change course information for either **Mathletics** or **SpelloDrome** classes.
- 02 All **classes** are displayed here, along with any **groups** within them. You can view the existing course assigned to the class by clicking the icon top-right of the screen.
- 03 To change the course assigned to a class, select a new course in the **View and Edit Courses** panel and click **Assign to Group**. Be sure to **Save** your changes.
