## Managing your class and getting started..

### Adding students

- To add one student at a time, click on **Manage Class**, enter their names and click **Go**
- For a whole class use **Import from CSV**. The sample file downloads the correct template for you to populate.
- Once you have uploaded your class, print their sign in cards by clicking the **Login Details** link, under the **Print** menu.
- Click **Edit** to update student details

### Check out the library for yourself!

Click on "Start Reading Eggspress"

- At the end of the student list you should find "Demo Student {your name}". Select this student to access the Reading Eggspress floating island, then click on "Library" then on the door to enter...

## Student Stats

- Click on Student Stats under Reading Eggspress to track how many books have been read.
- To see a more detailed individual report, click on the pupil's name.

# All aboard The Reading Eggspress!

## Platform 1: The Library!

Get reading as many books as possible! Books build brains! Books win prizes!

Library Stop!

- The **Reading Eggspress Library** has more than 1600 reading levelled and Lexile levelled books for reading ages 5 – 12+ years.
- The wide range of library titles includes illustrated chapter books, full colour non-fiction books and a range of classics.
- Shorter, easier books include a quiz at the end of the title to ensure comprehension of the text. These early titles have a 5- or 10-question quiz, which when completed earns the students Golden Eggs and Trading Cards.
- The chapter books in the library have a 6-question quiz presented at the end of each chapter. Completing chapter quizzes earns students Golden Eggs, with Trading Cards awarded when a student has completed every chapter and shown comprehension of each title.
