

Free Training Webinars

What is a webinar? A webinar is a web-based seminar. Each trainee accesses the training webinar from their computer using a link that is emailed after registering for a session.

Mathletics – Teacher Centre

Everything you need to know to get started with Mathletics: differentiating, setting homework, viewing results, the student centre and more.

Spellodrome – Teacher Centre

Update your school roll for the new academic year.

Reading Eggs – Getting Started with KS1

Launch Reading Eggs with your class: explore the teacher resources, locate guides, set a placement test, explore lessons and the Story Factory.

Reading Eggspress – Getting Started with KS2

Launch Reading Eggspress with your class: explore the teacher resources; locate guides; set a placement test; explore the Stadium and the virtual library.

Rollover Training

Join a 15 minute session at the beginning of the training to learn how to update your school roll for the new academic year.

If you would like to arrange a training session outside of the sessions listed here please contact our customer service team on 0117 370 1990.
