

Quick Start Guide

Kick Starting your Trial!

- 01 Click on **'Teachers Click Here'** at www.readingeggs.com to register your trial.
- 02 Enter your details (use your personal work email address)
- 03 Enter your unique school code. (Please contact us if you do not have your school code)
- 04 You will be automatically signed into your teacher account.

Adding Students and Getting Them Started

Add students: **Management > Manage Class > Add Students to your class.**
Enter the first and last name for each of your students.

Print login details: **Management > Manage Class > Login Details.** Print and provide your students with their individual Login Details.

For Younger Students - Teachers can log into the program on behalf of their students by using their Teacher Login, by clicking on 'Start Reading' you will enter the Student Gateway. Each Student can then find their name/avatar and start eggsploring Reading Eggs independently.

A screenshot of the 'Add students to a class' form. It includes a 'Create new student' section with input fields for 'First Name', 'Last Name', 'Grade', and 'Teacher', followed by a 'Go' button. Below this are links for 'Upload a CSV', 'Download a sample file', 'Export student data', and 'Move students'.

Your Demo Student Account

- 01 You have unrestricted access to your own DEMO STUDENT.
- 02 This is accessed through Student Gateway, **'Start Reading'**. This can be used to demonstrate and utilise the Student Centre with your class.

Student Statistics

Your students' statistics are recorded for you to preview, print, export to excel and allow you to monitor your students' progress.

Quick Start Guide

This suggested lesson plan is a quick guide to help you successfully launch **Reading Eggs & Eggspress** with your class. Each student must be added to the program and have their login details prior to launch. Each computer requires speakers or headphones. Typically, lessons run for 45-60 minutes. Let's start by going to www.readingeggs.com

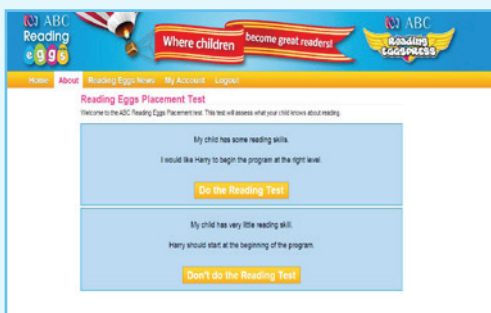

Before your students log in: Make sure you make an informed decision as to whether your students work in **Reading Eggs (4 – 8 year olds)** or **Reading Eggspress (8 – 13 year olds)**. Students will encounter the choice upon sign in.

Reading Eggs: Launch Lesson Plan

01 20 MINS Login and Placement

Ask your students to complete the **placement test** after logging in.

Students will be presented with the placement test upon logging in for the first time.

02 25 MINS Begin Lesson

Instruct the students to go to the below lesson area.

'My Lessons' Students are guided through the interactive reading lessons and progress independently. Students are rewarded with eggs that can be spent in Reggie's shop.

03 5 MINS Creating your avatar

Instruct your students to:

Go to **My Stuff > My Avatar**

Further Suggested Areas for eggsploration:

Reading Eggs: Skills Bank - Spelling

Reading Eggs: Driving Test - World Recognition

Reading Eggs: Story Factory

Reading Eggspress: Library - Over 1500 eBooks
