

Introducing Spellodrome 2.0

We have received and listened to feedback from our community of teachers and as a result Spellodrome 2.0 is sure to switch kids onto spelling.

So what's new?

✓ Now with over **10,000 words** to match your current spelling program.

✓ Drag and drop word list and spelling group creation to save time.

✓ Tailor the program to suit your individual needs by creating **customised word lists** for each of your spelling groups or by utilising one of our default programs.

✓ Comprehensive and detailed reports for individual students.

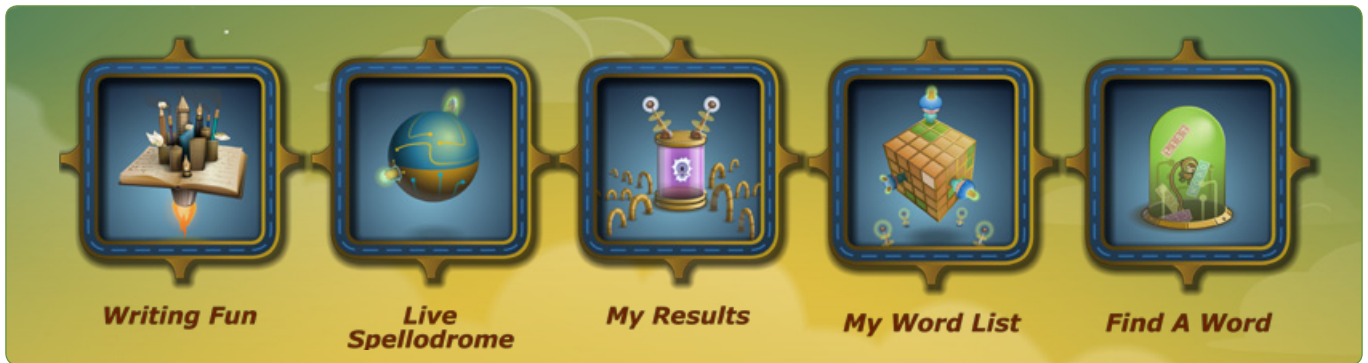

Other great benefits

- ✓ Free access to **Writing Fun** by Jenny Eather
- ✓ Live Spellodrome - compete in real time spelling games with students from all over the world!

Spellodrome – the spelling resource inspired by teachers.

Students love learning to spell with Spellodrome!

It's a fact that engaged, motivated and rewarded students **love learning**.

Create your **spelling groups**, assign your **word lists** and your class is ready to go.

Look, cover, write, check without the endless repetition.

Easily **monitor and report** on student progress.

Word list games such as **Crosswords** and **Find a Word** reinforce list words.
