1 Getting Started

➔ **Sign In** to the Spellodrome Teacher Centre using your Username and Password.

From here you can access a whole range of tools to enhance your students' experience with Spellodrome.

You may like to start by printing off your students' sign In cards.

2 Classes and Groups

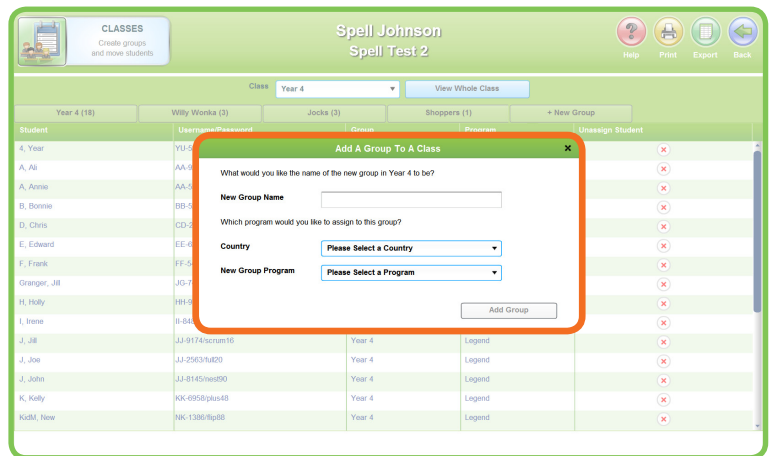

You can easily create ability groups within your classes in **Classes**.

Use the drop down menu in your header to select the class you wish to manage.

➔ Select **+ New Group** to begin.

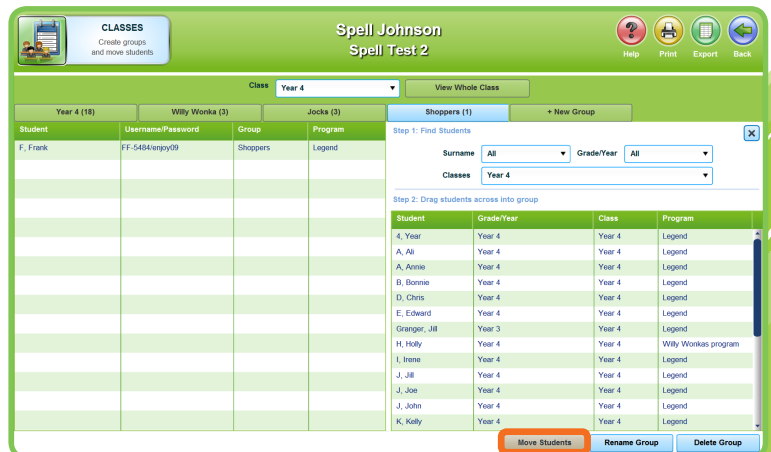

➔ Choose an original name for your group and the program that you would like them to follow.

➔ Once you have created your new group you can add students into it by selecting **Move Students**.

This will provide you with a list of students in your current class.

- ➔ To move students within groups in your class, simply select the student you need from the right hand box and drag to your new group on the left.

The screenshot shows the 'Spell Johnson Spell Test 2' interface. At the top, there are navigation icons for Help, Print, Export, and Back. Below that, the class name 'Year 4' is selected. The main area is divided into groups: 'Year 4 (18)', 'Willy Wonka (3)', 'Jocks (3)', and 'Shoppers (1)'. A 'Step 1: Find Students' dialog box is open, showing a search for 'A. Ali' in 'Year 4'. A red arrow points from the 'A. Ali' entry in the dialog to the 'A. Ali' entry in the 'Shoppers (1)' group table.

5 Challenger

Challenger is a great resource through which you can assign tests to your students.

Once students have completed the test **Challenger** provides you with useful diagnostic and analytic information.

6 Workbooks

The instant workbook series has been created as another way to provide you with the best resources and enhance your students' learning.

- ➔ Two different series of workbooks have been created to download and enhance your spelling and literacy programs.

A Spelling Worksheets are a series of spelling lists with related activities for series **A** → **H**.

Student worksheets are available, as well as related materials for teachers, including placement tests, answers and assessment tasks.

B Instant Workbooks are a range of spelling, grammar and punctuation workbooks with activities for students available in Series **C, D, E, F, G, H** and **J**. Each workbook also has a corresponding Teacher book for you.

7 Demonstrations

Demonstrations provides you with a student view of Spellodrome.

It is great for conducting class demonstrations of how spellodrome works.

We are always releasing new features, so make sure you keep a look out for them!
