

WORLD MATH DAY

5 March 2008 *Uniting the World in Numbers!*

World Math Day Prizes

Student Prizes

World Math Day Medal

The Top 10 students will receive the spectacular World Math Day Medal especially produced for the event.

World Math Day Gold Award

Students who achieve 1,000 correct answers over the Challenge will receive the World Math Day Gold Award.

High Score Awards

Cartoon Network rewards including screensavers and sneak peeks will be awarded to students who set a new (personal) high score during the Challenge.

Cartoon Network Reward Games

Students can take a well-earned break and play a Cartoon Network Reward Game when they reach 250, 500 and 750 correct answers.

Lucky Millionth Question Awards

The students who are lucky enough to answer each millionth question will receive a specially engraved World Math Day trophy.

World Math Day Participation Certificate

All students who participate in the World Math Day Challenge will receive their own digital participation certificate.

School Prizes

World Math Day Trophy

The Top 10 classes will receive a specially engraved World Math Day Trophy.

VmathLive

For schools new to VmathLive the top two classes in each school will receive a free VmathLive licence for the remainder of the school year. To be eligible for this award the top classes must score in excess of 10,000 correct answers.
